

Contributions Are Important

Every contribution, no matter the size,
is important to
The Full Life Foundation
in helping the fund to grow for future use.

Since the formation of
The Full Life Foundation,
more than twenty residents
have been helped with their
monthly service fees.

Your generosity has made it possible
for our residents to remain
within their homes at La Vida Llena.

The Full Life Foundation's
Board of Directors

hosts a reception each year honoring those
who have helped with money contributions
or by donating their time at the
Treasure Chest or Furniture Sales.

The Full Life Foundation's
FULL LIFE LEGENDS TREE
honors those who have contributed
\$10,000 or more.

The Story of the Foundation

How you can
make a difference
by contributing to
THE FULL LIFE FOUNDATION

The Full Life Foundation Story

In 1976, members of four churches — First Presbyterian Church, St. Paul's Lutheran Church, St. John's Episcopal Cathedral and First United Methodist Church — joined to plan and build a LIFECARE COMMUNITY in Albuquerque.

The early residents of this LifeCare Community soon recognized that philanthropy should play a part in the growth of their community and began making gifts to La Vida Llena.

In 1995 the Full Life Foundation was incorporated into an independent 501(c)(3) tax-exempt organization.

The Foundation exists for the benefit of
La Vida Llena residents.

Those early residents wanted to make a difference — and they did. We, too, wish to leave our mark when we are gone. This is our heritage, and gifts to *The Full Life Foundation* fulfill this wish.

Our Mission

The mission of *The Full Life Foundation* is to use its financial resources to support residents of La Vida Llena by paying for all or a part of the monthly service fees and/or other expenses for residents whose financial resources are nearing depletion.

Foundation Goals

Some of our residents may experience a shortfall in their income, and the goal is to ensure that all residents of La Vida Llena are able to continue to live their remaining years here at La Vida Llena, regardless of their financial status.
