

Contributions Are Important

Every contribution, no matter the size, is important to *The Full Life Foundation*, helping the fund to grow for future use.

Since the formation of *The Full Life Foundation*, one to six residents, per month, have been helped because of your contributions. Your generosity has made it possible for our residents to remain in their homes at La Vida Llena.

The Full Life Foundation's Board of Directors annually honors those who have helped with financial contributions or by donating their time.

THE FULL LIFE LEGENDS TREE honors those who have made lifetime gifts of \$10,000 or more.

The Full Life Foundation Story

In 1976, members of four churches:

First Presbyterian Church

St. Paul's Lutheran Church

St. John's Episcopal Cathedral

First United Methodist Church

joined to plan and build a Life Plan Community,

LA VIDA LENA, in Albuquerque.

The early residents of this Life Plan Community soon recognized that philanthropy should play a part in the growth of their community and created *The Full Life Foundation*. The

Foundation is an incorporated, tax-exempt 501(c)(3) Fully Integrated Support Organization III (FISO-III).

Those early residents wanted to make a difference — and they did. We, too, wish to assure that our neighbors can live out their lives at La Vida Llena. This is our heritage.

**The Foundation exists
for the benefit of
La Vida Llena residents.**

Our Mission

The mission of *The Full Life Foundation* is to use its financial resources to support residents of La Vida Llena by paying for all or a part of the monthly service fees and/or other expenses, for residents, whose financial resources are nearing depletion.

Foundation Goals

Some of our residents may experience a shortfall in their income.

Our goal is to ensure that all residents of La Vida Llena are able to continue to live their remaining years here at La Vida Llena, regardless of their financial status.
